## I Said A Prayer For You Today

I said a prayer for you today and know God must have heard. I felt the answer in my heart, although he spoke not a word. I didn't ask for wealth or fame (I knew you wouldn't mind). I asked for priceless treasures rare of a more lasting kind. I prayed that He'd be near you at the start of each new day, to grant you health and blessings fair, and friends to share your way. I asked for happiness for you in all things great and small,

**But that you'd  
know His loving care  
I prayed the most of all.**
